APPENDIX A

# CONCEPT ART

The concept art on these pages is intended to inspire and delight all who are delving into the glory of giants.

DEATH GIANTS ARE AS TALL AS THEIR CLOUD GIANT ANCESTORS, AND EVEN MORE GAUNT.

FENSIRS BEAR LITTLE RESEMBLANCE TO THEIR TROLL ANCESTORS.

GARGANTUAS BOAST A VARIETY OF IMPRESSIVE HORNS.

TRULY COLOSSAL DINOSAURS LIVE ALONGSIDE GIANTS IN SOME REMOTE ENCLAVES.

Goliaths often adopt the habits and learn the magic of giants.

An echo of Demogorgon's two heads often howl and bite at each other.

Mordenkainen often urges me to transfer the contents of my spellbook into a volume more appropriately sized for my new form. I refuse to give him the satisfaction.
